Orkestra. (Instituto Vasco de competitividad).

Institutos Investigación Biosanitaria / Research institutes Biosanitary

Incorporate the professional profiles of the professional family Health (Biomedical research and clinical documentation) in research teams of hospitals and medical research institutes

Promoting I + I (Research & Innovation)
OTHER PROJECT INITIATIVES

Asociación FP Empresa. Bankia plans to work with the network of public Integrated Vocational Training Centres because we need to have a systematic reference centers that are genuine vocational training on which to organize and implement projects such as the ASSOCIATION FPEMPRESA. In Spain there are several institutions that offer professional, basic, intermediate and advanced level training, each of these levels recognized by the European qualifications framework, from the educational administration and many others from the administration of employment. The objective is aimed at prestigiar integrated centers as a model system FP centers, which incorporate Initial offer, continuous and integrated vocational training centers themselves.

Alliance. Group Coordinators Knowledge and Innovation and member of the Executive Committee. Adhering to the Alliance network involves participating in a collaborative framework in which its members agree to voluntarily develop actions to promote learning Dual system.
