Rethinking VET for Inclusive excellence
Como, 25th October 2018
The ETF is an agency of the European Union, helping EU neighbouring countries to reform their own education and training systems, in line with the EU’s external relations policies.
OUR ACTIVITY COVERS FOUR MAIN AREAS

- Improving skills
- Promoting employability
- Making systems work for everyone
- Working for a global Europe
SUPPORTING PARTNER COUNTRIES

The EU created us to advance human capital development in countries outside the EU.

We support the skills dimension of the EU’s external action policy.

‘Human capital development’ shall be defined as work which contributes to the lifelong development of individuals’ skills and competences, through the improvement of vocational education and training systems.

ETF Council Regulation
MOVING TOWARDS A GLOBAL EUROPE

Human capital development in external relations is key:

- To foster productivity and employment.
- To support social cohesion by promoting civic participation.
- To attain long-term stability and prosperity.
- In particular, to achieve socio-economic equilibrium.

ETF Council Regulation
Everyone has the right to quality and inclusive education, training and lifelong learning, in order to maintain and acquire skills that enable them to participate fully in society and manage successfully transitions in the labour market.
